How allies & SRV groups can contribute to securing the future of SRV
Securing the Future of SRV
Join the Journey
Recognise seriousness & urgency of need to safeguard SRV
Educate staff & colleagues about it
Ensure your supervisor/board embrace the initiative
Plan how you will act/ contribute - short & long-term
Maintain a focus on people with a devalued status
Support Individuals especially to take on Roles
Identify those who are or likely will take on various leadership roles
Fundamental: application roles
Urgent: teaching roles
Release people from work on pay, partial pay, no pay
For Courses
For Presenting
For Projects
For Non-Programmatic Roles
Create learning pathways for roles
Identify learning opportunities for people in between Masterclass sessions & other formal events
Facilitate mentor-protege roles
Commit to the SRV Community (Network)
Recognise value of & contribute to the Community of Practice approach
Promote the network & essential nature of SRV - name it in your efforts
Work with State SRV Groups
Identify useful joint opportunities
Engage in joint planning of complementary events & dates
People - as event participants
People - network development, eg, a family network/ group
People - leadership development opportunities
Create your own plan to support national SRV efforts
Build deliberate links with other groups who use SRV, incl. Cit. Adv. & Circles Initiative
Support Events
